WOMAN DRESSED UP AS A MAN

Captured by Local Police Saturday Morning—Husband With Her—Case Investigated and Couple Allowed to Return to Return to Home in Huntington.

Saturday morning about 11:30 o'clock, Officer Dudley Fizer caught a man and woman in the east end of the city, the woman being dressed as a man.

The woman had on an old pair of overalls and the coat she was wearing was turned wrong side out. The couple were taken to the City Mission and there it was found that they were man and wife. They had their marriage certificate with them. They said that they had been in Cincinnati, and the husband being out of work they had started for their home in Huntington, not being willing to incur debt when there seemed to be no way to get out again. They were getting home the cheapest way, hobnobbing. At the mission they were given suitable clothing and a ticket to Huntington. The Mayor furnished transportation to Portsmouth, Ohio, and the Secretary of the Chamber of Commerce took up a small collection for the remainder of the money.

Those talking with the couple report they were well educated and refined. It was simply a case of being broke away from home and the struggle to get back as soon and as easily as possible.

WEDDING BELLS

Ring Out This Morning for Mr. Edward Piper and Miss Gertrude Baugh—Both of This City.

The marriage of Mr. Edward Piper and Miss Gertrude Baugh was solemnized in the First Christian Church this morning, Rev. A. F. Stahl performing the ceremony. The happy couple will leave this afternoon on a wedding trip to points east.

The marriage of this popular couple comes as the culmination of a courtship of some time. The couple is a very popular one and their many friends will be glad to hear of their marriage.

Miss Baugh is the daughter of Mr. Jeff Baugh, one of the popular conductors of the Maysville Street Railway Co. For the past few years she has been a teacher in the Maysville Public Schools and is one of the most popular young ladies in the city. The groom is the son of Mr. James Piper and is employed in the Ohio Valley Pulley Works.

The wedding was a very quiet one, only the immediate family and near friends being present. After a bridal trip of two weeks they will return to this city where they will make their future home.

The Ledger joins with their many friends in wishing them much happiness and success in their married life and hope that their path may always be one of roses.

GERMANTOWN FAIR

Best of the Season—Horsemen Say That It Was Best Held in State This Year.

Germantown had what is said by many people to be the best fair that has been held this season. The stock exhibits were much better than at the average county fair and probably the best horse show held in the State at any place. Some excellent beef cattle were shown. This is quite a short-horn section and some good individuals were on exhibition. The mule and draft horse show was much better than at Ewing. This would make it a better show of these classes than any other with the possible exception of the mule show at the Blue Grass Fair. The hog and sheep show was better than had been seen there for years.

The management was well pleased with the success of the fair and stated that it was a financial success. The largest crowds ever seen on the Germantown fair grounds passed through the gates every day and the live stock barns and hog pens were constantly filled with farmers eager to learn something about live stock. Many improvements will be made on the grounds and buildings before next year and plans will be made to improve upon the fair in every way.

Many horsemen say that it was the best horse show held in the State this year. There were several stables with only two or three horses, but the principal stables showing were Claude Thomas, Paris; Fagan Brothers, Brooksville; Charles Scott, Manchester, O.; with Bourbon Tucker and a lot of his get; Berry & Gaines, Walton, Ky.; John Hunter, Millersburg; P. W. Dimmitt, Millersburg; Power & Best, Paris; Ed Perkins and Mr. Galbraith. Thomas, Power & Best and Charles Scott fought hard for honors, but Thomas carried off most of them. Out of sixteen shows he was awarded fifteen blue ties. His good mare, Sweetheart, and Grand Monarch, a much improved stallion, were his best winners, getting five blues each. Comrade and Masquerade each were good winners. Sweetheart is one of the most consistent mares on the circuit, winning in all classes, and has not lost a grand championship ring for five-gaited saddle horses, mare or gelding. There were ten entries and while she won easily, she was forced to show what she had. Edwin Thomas, who is riding and driving the horses for his father, did not make a mistake and is improving rapidly. He is the youngest showman on the circuit.

H. Richardson and children, Howell and Juanita, of this city; and Master Reed Richardson of this city. Mr. James Sallee of Covington, Ky., and Mrs. Belle Brady of Sutton street were the outside visitors for the day. An old-fashioned negro cooked dinner was served followed in the afternoon by a watermelon feast. Only one member of the family could not be present, Mr. John Richardson, conductor with the Maysville Street Car Co. The day was a very enjoyable one and will long be remembered by Mr. and Mrs. Richardson.

THE "GREASED PIG"

Held Over to the Grand Jury Saturday Afternoon in Police Court for Obtaining Money Under False Pretenses—Fred Hayes In Bad Again.

In Police Court Saturday afternoon Fred Hayes, the "greased pig", was held to the September term of the Grand Jury for obtaining money under false pretenses. His bond was placed at \$200 and being unable to put up this amount was returned to jail. Hayes was charged with going to the home of a Mrs. Frances in Eastland and representing to her that he was a representative of the Indian Motorcycle Co. and collected \$2.50 on a bicycle her son had purchased from those people on the installment plan. Investigation by the woman showed that she had paid out the money needlessly as Hayes was not a representative of the company.

In Police Court Hayes said that young Frances owed him some money and that the only way he could collect it was by this method. He said that if the boy had paid him at a later time he would have turned the money he collected from Mrs. Frances to the Motorcycle Company.

After hearing the evidence the court held him over to the Grand Jury, which meets next Monday. Hon. A. D. Cole represented the defendant.
